

Voice your concerns on City storm water treatment June 15th

The City of Ham Lake obtained a National Pollutant Discharge Elimination System permit from the Minnesota Pollution Control Agency (MPCA), which addresses areas to reduce or eliminate pollutants from storm water runoff.

An important component of Ham Lake's permit is public education and outreach. Citizens are invited to participate in an annual public meeting and to report concerns or illicit discharges to City staff.

This meeting allows citizens an opportunity to give written or oral input on the program. The City must consider these suggestions and make appropriate adjustments to the program when submitting its annual report to the MPCA.

The meeting will be held at 6:01 p.m. on June 15, 2026, at the Ham Lake City Council meeting. The public is encouraged to submit written comments/concerns on the Storm Water Pollution Plan by June 18, 2026 to City Hall, 15544 Central Avenue NE, Ham Lake MN 55304.

A copy of the SWPPP will be available for review at City Hall or from the City website - www.hamlakemn.gov - under Services and Water/Stormwater.

For more information, contact the City at (763) 434-9555.
