THIS PERMIT IS LIMITED TO THE FOLLOWING CONDITIONS:

1. The prevailing wind at the time of the burning shall be away from nearby residences.
2. The burning shall be conducted as far away as practical from any highway or public road and controlled so that a traffic hazard is not created.
3. The location of the burning shall not be within 600 feet of any occupied residence other than those located on the property on which the burning is conducted.
4. The burning shall not be conducted within one mile of any airport or landing strip, unless approved by the director.
5. Oils, rubber and other similar smoke-producing material shall not be burned or used as starting materials.
6. The recipient of the permit or his authorized representative shall be present for the duration of any fire authorized by the permit.
7. Prior notice shall be given to the local fire authority of the time and location of any fire authorized by the permit.
8. Any fire allowed by this permit shall be extinguished within four (4) hours of a public announcement by the Minnesota Pollution Control Agency that an air pollution alert, warning or emergency exists. Such burning SHALL CEASE until a similar announcement terminating the alert, warning or emergency.
9. This permit is subject to revocation at the discretion of the Director, a DNR Forest Officer, the local fire authority or the permit issuer if:
 - a. A reasonable, practical method of disposal of the material is found;
 - b. A fire hazard exists or develops during the course of the burning; or
 - c. Any of the conditions of the permit are violated during the course of the burning.
10. Other reasonable conditions the permit issuing authority may impose:
