PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the City Council of the City of Ham Lake, Anoka County, Minnesota will meet at the Ham Lake City Hall, 15544 Central Avenue NE in the City of Ham Lake, on September 8, 2026 at 6:01 PM to pass upon the proposed assessment for 2027 street lighting fees.

The proposed assessment roll is on file for public inspection at the City Clerk's Office and individual notices were sent to affected property owners. Written or oral objections will be considered at the meeting. No appeal may be taken as to the amount unless a signed, written objection is filed with the Clerk prior to the hearing or presented to the presiding officer at the hearing. The Council may upon such notice consider any objection to the amount of a proposed individual assessment at an adjourned meeting upon such further notice to the affected property owners as it deems advisable.

An owner may appeal an assessment to District Court pursuant to Minnesota Statutes Section 429.081 by serving notice of the appeal upon the Mayor or Clerk of the City within 30 days after the adoption of the assessment and filing such notice with the District Court within ten days after service upon the Mayor or Clerk.

RESOLUTION NO. 26-XX

CITY OF HAM LAKE

**RESOLUTION ORDERING THE FINANCE DIRECTOR TO PREPARE A FINAL
ASSESSMENT ROLL FOR 2027 STREET LIGHT SERVICES AND CERTIFYING THE
ROLL TO THE ANOKA COUNTY AUDITOR**

WHEREAS, the Finance Director has presented for Council consideration a list of the annual Street Light fees for 2027; and

WHEREAS, each property owner had an opportunity to present their account at a public hearing scheduled on September 8th, 2026 at 6:01pm; and

WHEREAS, pursuant to proper notice duly given as required by law, the Council has met and heard and passed upon all objections to the proposed assessments for unpaid current services and hereby submits the final assessments.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF HAM LAKE, MINNESOTA that the Finance Director prepare a final assessment roll for unpaid charges for 2027 Street Light for the Anoka County Auditor.

FUTHERMORE, BE IT RESOLVED BY THE CITY COUNCIL OF HAM LAKE, MINNESOTA:

1. Such proposed assessment, a copy of which is attached hereto and made a part hereof, is hereby accepted and shall constitute the special assessment against the lands named therein, and each tract of land therein included is hereby found to be benefited by the proposed service in the amount of the assessment levied against it.
2. Such assessment shall be payable in equal annual installments extending over a period of 1 year, the first of the installments to be payable on or before the first Monday in January, 2027 and shall not bear interest.
3. The owner of any property so assessed may, at any time prior to certification of the assessment to the Anoka County Auditor, pay the whole of the assessment on such property, to the City Treasurer before November 15, 2026.
4. The Clerk shall forthwith transmit a certified duplicate of this assessment to the Anoka County Auditor to be extended on the property tax lists of the county. Such assessment shall be collected and paid in the same manner as other municipal taxes.

Adopted by the City Council of the City of Ham Lake this 8th day of September, 2026.

Notice of Hearing on Proposed Assessment

Property Owner:

Notice is hereby given that the City Council will meet at **6:01 pm on September 8, 2026** at the **Ham Lake City Hall, 15544 Central Avenue NE** for a Public Hearing to consider the proposed assessment for 2027 Street Lighting fees. Adoption by the City Council of the proposed assessment may occur at the hearing.

The amount of **\$45.00** is to be assessed against your parcel listed on the back of this card. This assessment may be paid starting September 9, 2026 through November 15, 2026 to avoid certification and the amount being added to your property taxes.

The proposed assessment roll is on file for public inspection at the City Clerk's Office. Written or oral objections will be considered at the meeting. No appeal may be taken as to the amount unless a signed, written objection is filed with the Clerk prior to the hearing or presented to the presiding officer at the hearing. The Council may upon such notice consider any objection to the amount of a proposed individual assessment at an adjourned meeting upon such further notice to the affected property owners as it deems advisable.

An owner may appeal an assessment to District Court pursuant to Minnesota Statutes Section 429.081 by serving notice of the appeal upon the Mayor or Clerk of the City within 30 days after the adoption of the assessment and filing such notice with the District Court within ten days after service upon the Mayor or Clerk.

**SIGNED WRITTEN OBJECTION TO PROPOSED
2027 STREET-LIGHTING ASSESSMENT**

Filed before the September 8, 2026 assessment hearing

Property Owner	Sherry L. Mokita
Property	14230 London Street NE, Ham Lake, MN 55304-6820
Parcel ID	28-32-23-33-0032
Proposed Assessment	\$45.00 for 2027 street-lighting fees
Assessment Hearing	September 8, 2026 at 6:01 p.m., Ham Lake City Hall

Timely written objection and preservation of rights

I am the affected property owner. I timely file this signed written objection with the municipal clerk before the assessment hearing under Minn. Stat. §§ 429.061 and 429.101. I object to the statutory notice and procedural validity of the proceeding, the statutory and charter authority relied upon, parcel inclusion and liability, classification, calculation, allocation, reasonableness, and the entire \$45.00 amount proposed against Parcel 28-32-23-33-0032.

For the notice defects described below, I request that the Council not adopt an assessment against this parcel on the present notice and that any later assessment proceeding use legally compliant notice. Independently, if the City cannot establish the parcel-specific obligation, lawful allocation, and lawful amount, I request that the parcel be removed from the roll or the amount be reduced to \$0.00.

For purposes of the September 8, 2026 assessment hearing, I rely on this written submission and do not intend to appear or speak at the hearing. Please place this complete filing and its exhibits in the official September 8 hearing record and provide it to the Council before it votes. My absence is not a withdrawal, abandonment, or waiver. This filing is intended to satisfy the signed-written-objection requirement and to preserve the objections stated herein for any appeal available under Minn. Stat. § 429.081.

Scope of this filing

This is an assessment objection, not a Minnesota Government Data Practices Act request. Where this objection asks the Council to "identify" a basis, it asks the Council to state the basis for its decision on this assessment. A district-court appeal, if any, would be a separate later proceeding.

1. The mailed notice does not contain all information required by Minn. Stat. § 429.061, subd. 1.

Minn. Stat. § 429.101, subd. 2 makes §§ 429.061, 429.071, and 429.081 applicable to assessments under § 429.101. Section 429.061, subd. 1 therefore governs the assessment-hearing notice. The August 21, 2026 postcard states the parcel amount, hearing date and location, a September 9-November 15 payment/certification window, availability of the roll, an objection warning, and an appeal procedure. But the postcard does not state all information the statute requires the notice itself to state, including:

- the area proposed to be assessed;
- the total amount of the proposed assessment;
- the provisions of Minn. Stat. §§ 435.193-.195 and the existence of any municipal deferment procedure;
- the person to whom full prepayment must be made;
- whether partial prepayment has been authorized by ordinance; and
- the rate of interest to accrue if the assessment is not prepaid within the required period.

The statute also requires the mailed notice to state the time within which prepayment may be made without interest. The postcard gives a payment/certification window, but it does not identify that window as the no-interest prepayment period or state the applicable interest rate. I do not challenge the timing of the mailing itself: August 21 to September 8 is 18 days. The objection concerns the content of the mailed notice.

Minnesota Supreme Court precedent states that proper notice of assessment proceedings is a jurisdictional prerequisite and that statutory notice requirements must be strictly complied with. *Klapmeier v. Town of Center of Crow Wing County*, 346 N.W.2d 133, 136 (Minn. 1984). In *Sykes v. City of Rochester*, 787 N.W.2d 192, 197-98 (Minn. App. 2010), the court concluded that, because proper assessment-hearing notice was not given, the assessments were never adopted and were set aside subject to reassessment under Minn. Stat. § 429.071, subd. 2. Accordingly, the notice-based

relief requested here is that the Council refrain from adopting this parcel's assessment on the present notice and use legally compliant notice before any later assessment or reassessment.

The City may contend that an omitted interest rate or no-interest label is immaterial if the final assessment is a single no-interest installment, as the City used for the 2026 street-light assessment. Even if that contention were accepted as to those interest-related items, it would not address the separate omissions of the assessment area, total proposed assessment, statutory deferment information, prepayment payee, and partial-prepayment status.

Section 429.061 also separately requires newspaper publication not less than two weeks before the hearing. I have not independently confirmed the City's compliance with that separate publication requirement. I therefore preserve any objection based on defective or untimely publication if the required publication did not occur; I do not affirmatively assert a publication defect without the publication record.

2. Preserved statutory question: when did the 2027 amount become an "unpaid special charge"?

Minn. Stat. § 429.101, subd. 1 expressly authorizes collection of unpaid special charges as special assessments against benefited property and specifically includes the operation of a street-lighting system. The statute also contemplates collection of charges when due before unpaid charges are made a special assessment. I therefore do not claim that street-light operating charges are outside § 429.101.

The unresolved question is the "unpaid" predicate for this particular proposed 2027 charge. The postcard describes a charge for 2027 service and permits payment only after the September 8, 2026 hearing. It identifies no earlier invoice, due date, delinquency, or other event showing when the 2027 amount became due and unpaid. The City's prior annual resolution for 2026 service characterized the assessment as for "unpaid current services," but that label does not itself identify the event that made a future-year amount due and unpaid.

I preserve this as a statutory question rather than asserting that prospective annual assessment is definitively prohibited. If the Council concludes that the 2027 amount qualifies as an unpaid special charge, please identify the ordinance or resolution, billing event, due date, development-agreement provision, or other legal basis on which this specific 2027 charge became due and unpaid before assessment.

3. Identify the operative ordinance and charter authority for this assessment mechanism.

Ham Lake is a home-rule charter city. Charter § 8.02 authorizes the Council, by ordinance, to provide that the cost of City services may be assessed against benefited property and collected in the manner of special assessments. Charter § 8.03 requires compliance with State local-improvement law when that law applies. Minn. Stat. § 429.101 likewise permits implementing regulations by ordinance.

The City's current fee schedule lists street-lighting charges of \$3.75 per unit per month for established residential and commercial plats. I do not claim that no ordinance exists. I object to the assessment to the extent it is not supported by an operative ordinance or other lawful authority governing this annual assessment mechanism. Please identify that authority and explain how it works together with § 429.101, including when the charge becomes due and unpaid.

4. The City should make a parcel-specific determination of the obligation and benefit relied upon.

Section 429.101 authorizes assessment against property benefited. Ham Lake City Code § 10-430(G) states that streetlights are installed in subdivisions using the traditional platting process, permits an approved owners' association arrangement, and otherwise states that ongoing power costs are billed pro rata to individual lot owners.

City minutes from September 16, 2024 report that the Short-Form Development Agreement identifies which developments are required to pay for street lights and is filed with the County. The August 19, 2024 staff memo likewise states that annual street-light fees are assessed to properties in developments with street-light clauses in their Development Agreements. This parcel has appeared on prior City street-light rolls; I do not assert that no recorded agreement exists.

Before imposing the present charge, however, please identify the specific plat or development and the recorded Short-Form Development Agreement or other instrument relied upon; the provision applicable to this parcel; whether an owners' association or third party bears any responsibility; and the factual basis on which this parcel is treated as benefited and liable for the 2027 charge.

5. A flat \$45 rate does not, by itself, show the pro-rata calculation required by City Code.

The 2026 City fee schedule lists \$3.75 per unit per month for established residential and commercial plats, which equals \$45 for twelve months. City Code § 10-430(G), however, speaks in terms of ongoing power costs billed pro rata to individual lot owners. A uniform \$45 per-unit allocation may ultimately be supportable; the flat rate alone does not show the underlying calculation.

Please identify the relevant development or lighting-system cost, the number of billable lots or units, the allocation method, applicable credits or offsets, and whether any developer, association, utility, grant, reimbursement, or other payment reduces the amount properly chargeable to current lot owners.

6. Fund 232's ending balance and repeated positive operating results warrant a cost/reasonableness explanation.

The City's 2025 account-summary report shows Fund 232 - Street Light with an ending cash balance of \$256,260.69 and ending investments of \$32,585.21, for a total ending balance of \$288,845.90 as of December 31, 2025.

The City's 2026 Budget Book shows Street Light Fund revenue exceeding expenditures in each of 2022, 2023, and 2024: \$91,076.45 versus \$55,667.98 in 2022; \$81,233.21 versus \$56,754.98 in 2023; and \$88,915.00 versus \$58,815.00 in 2024. The 2026 budget projects \$70,100 of revenue and \$65,570 of expenditures, a \$4,530 positive difference. The same budget describes Fund 232 as paying for electricity used to operate street lights and states that the street-light fee is \$3.75 per month.

I do not contend that the existing Fund 232 balance must automatically be exhausted before any annual charge may be imposed, nor that a positive balance is independently unlawful. The balance and repeated positive operating results are relevant to whether the current \$45 charge remains

reasonably related to authorized service costs and to how reserves, investment earnings, credits, prior collections, and future repair/replacement needs were considered. Please state that basis if the Council retains the full \$45 amount.

7. If the \$45 funds more than ongoing electricity, identify the authority and allocation for those components.

The 2026 Street Light Fund budget includes \$60,000 for electricity, \$2,000 for assessing/property-tax administration, \$3,000 for other professional services, and \$570 for refunds/reimbursements. The September 16, 2024 minutes state that the City's goal for the Street Light Special Revenue Fund is to only cover the costs of the street lights, while City Code § 10-430(G) refers to ongoing power costs billed pro rata.

I do not assume that every non-electricity category is unlawful. If the present \$45 includes administrative, professional-service, repair, replacement reserve, or other non-electricity components, please identify the legal authority for those components and the method used to allocate them to this parcel.

8. Alternative characterization: classification determines the governing legal standard.

First Baptist Church of St. Paul v. City of St. Paul, 884 N.W.2d 355, 359-67 (Minn. 2016), held that an annually recurring municipal right-of-way assessment was imposed under the taxing power rather than the police power and therefore was subject to constitutional limits including special benefit. Although *First Baptist* involved a different municipal program, it confirms that classification depends on the charge's legal authorization, primary purpose, and operation rather than its label. If the City treats this street-light charge as a taxing-power special assessment, I preserve the special-benefit, uniformity, proportionality, and constitutional limitations applicable to that classification. See *Carlson-Lang Realty Co. v. City of Windom*, 240 N.W.2d 517, 519-20 (Minn. 1976); *Buetner v. City of St. Cloud*, 277 N.W.2d 199, 201-02 (Minn. 1979).

If the City instead contends that this is a police-power regulatory or service charge assessed to recover the cost of a service, *American Bank of St. Paul v. City of Minneapolis*, 802 N.W.2d 781, 788-89 (Minn. App. 2011), applies a reasonableness standard rather than the special-benefit standard to that classification. Under that alternative framework, the amount should be reasonably related to authorized street-light service costs and should not operate as a general revenue-raising measure. I preserve both classifications without conceding that either particular framework necessarily controls a § 429.101 street-light service charge.

Requested relief and requested written determination

For the notice-content objection, I respectfully request that the Council decline to adopt the assessment against this parcel on the present notice. If the City wishes to proceed later, it should use legally compliant notice and any reassessment procedure that applies. This notice-based request is not a claim that a notice defect permanently fixes the assessment at \$0.00.

Separately, on the parcel-specific liability, allocation, reasonableness, and alternative benefit grounds stated above, I request removal of Parcel 28-32-23-33-0032 from the 2027 street-light assessment roll or reduction of the amount to \$0.00 if the City cannot establish a lawful parcel obligation and lawful amount. If the charge is otherwise authorized, I also request consideration of any parcel-specific exemption or waiver within the Council's lawful discretion. October 3, 2022 Council minutes report the City Attorney's statement that the Council could exempt properties moving forward; I cite that statement as context, not as a binding promise or policy.

If any part of this objection is denied, please state the Council's basis for: (1) the mailed-notice determination; (2) treating the 2027 amount as an unpaid special charge; (3) the operative ordinance and recorded parcel obligation; (4) finding this parcel benefited and liable; (5) finding \$45 to be the proper pro-rata share; (6) how the Fund 232 ending balance, investment earnings, prior positive operating results, and reserves affect the amount; and (7) including any non-electricity component. If the Council elects to use an adjourned parcel-specific hearing, please prepare the record and written findings contemplated by Minn. Stat. § 429.061, subd. 2.

Please confirm receipt and filing of this signed objection before the hearing. If the assessment is adopted, please send me by mail and reply email the final resolution, the final amount/roll entry for this parcel, and the actual date of adoption so that I can protect any remaining rights under Minn. Stat. § 429.081.

Respectfully submitted,

Notice of Hearing on Proposed Assessment

Property Owner:

Notice is hereby given that the City Council will meet at **6:01 pm on September 8, 2026** at the **Ham Lake City Hall, 15544 Central Avenue NE** for a Public Hearing to consider the proposed assessment for 2027 Street Lighting fees. Adoption by the City Council of the proposed assessment may occur at the hearing.

The amount of **\$45.00** is to be assessed against your parcel listed on the back of this card. This assessment may be paid starting September 9, 2026 through November 15, 2026 to avoid certification and the amount being added to your property taxes.

The proposed assessment roll is on file for public inspection at the City Clerk's Office. Written or oral objections will be considered at the meeting. No appeal may be taken as to the amount unless a signed, written objection is filed with the Clerk prior to the hearing or presented to the presiding officer at the hearing. The Council may upon such notice consider any objection to the ~~amount~~ of a proposed individual assessment at an adjourned meeting upon such further notice to the affected property owners as it deems advisable.

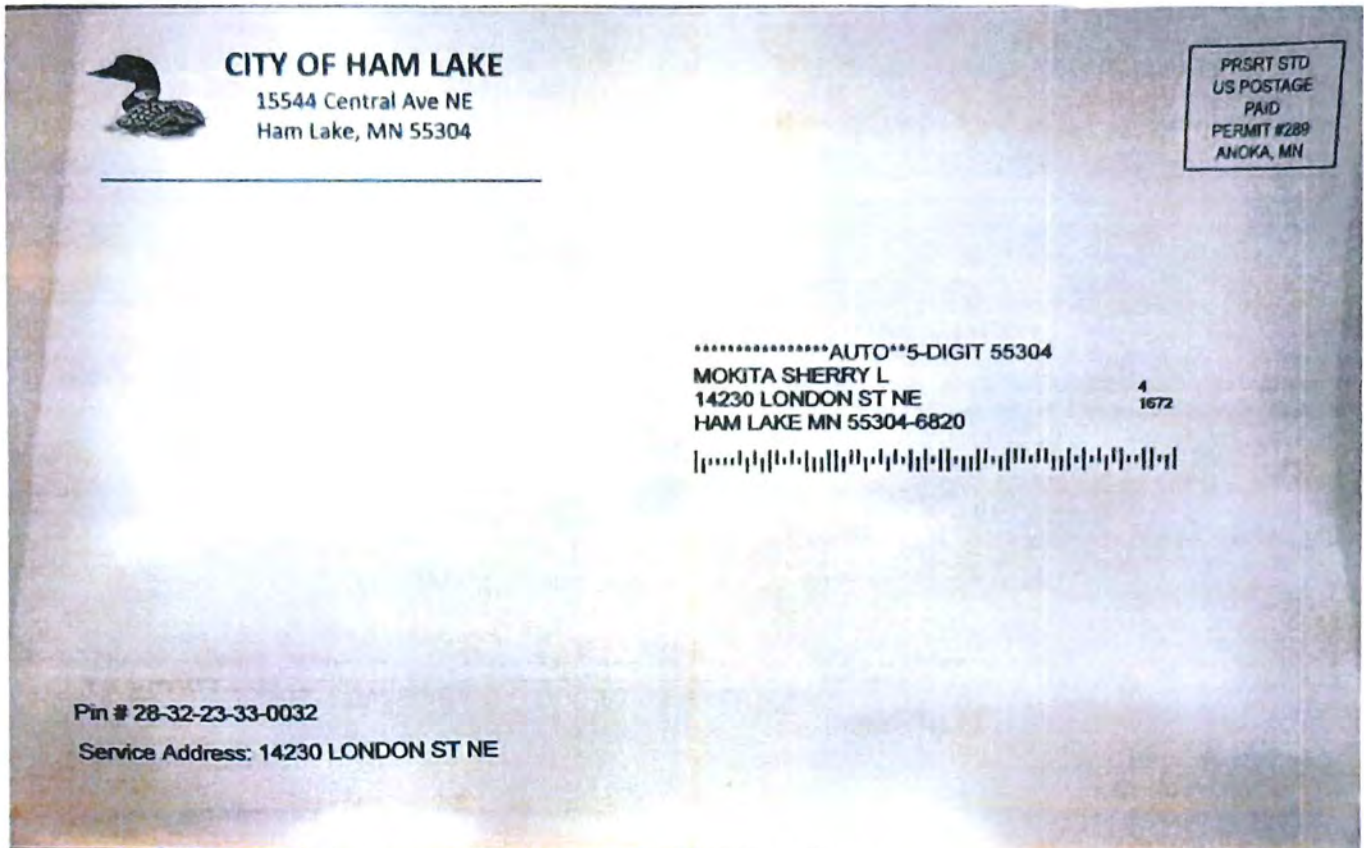

An owner may appeal an assessment to District Court pursuant to Minnesota Statutes Section 429.081 by serving notice of the appeal upon the Mayor or Clerk of the City within 30 days after the adoption of the assessment and filing such notice with the District Court within ten days after service upon the Mayor or Clerk.

Source / item	Point referenced in the objection
Minn. Stat. § 429.101 (2025)	Authorizes collection of unpaid special charges as special assessments against benefited property; expressly includes operation of a street-lighting system; subd. 2 applies §§ 429.061, 429.071, and 429.081.
Minn. Stat. § 429.061 (2025)	Requires detailed assessment-hearing notice content, including area, total proposed assessment, deferment information, parcel amount, prepayment payee, partial-prepayment status, no-interest period, and interest rate; also contains signed-objection preservation requirements.
Ham Lake Charter §§ 8.02-.03	§ 8.02 permits service costs to be assessed against benefited property by ordinance; § 8.03 requires compliance with State local-improvement law when applicable.
Ham Lake City Code § 10-430(G)	Streetslights shall be installed in subdivisions using the traditional platting process; an approved owners' association arrangement may apply; otherwise ongoing power costs are billed pro rata to individual lot owners.
City Fee Schedule, effective March 2, 2026	\$3.75 per unit per month for established residential and commercial plats, or \$45 for twelve months.
Sept. 16, 2024 Council minutes	Engineer Collins stated Short-Form Development Agreements identify which developments pay and are filed with the County. Finance Director Murff stated the Street Light Special Revenue Fund's goal is to only cover street-light costs.
Aug. 19, 2024 staff memo	After third-party street-light billing was discontinued, annual fees were assessed to properties in developments with street-light clauses in Development Agreements; the 2025 rate was stated as \$45 at \$3.75 per month.
Oct. 3, 2022 Council minutes	When a resident questioned benefit, Attorney Berglund stated streetslights are required by City Code/development agreements and that the Council could exempt properties moving forward.
Sept. 15, 2025 resolution packet for 2026 service	The annual assessment was described as for "unpaid current services"; the proposed assessment used one installment, no interest, and full prepayment to the City Treasurer before November 15, 2025.
2025 Account Summary (City packet dated Mar. 2, 2026)	Fund 232 ending balances as of Dec. 31, 2025: cash \$256,260.69; investments \$32,585.21; total \$288,845.90.
2026 Budget Book - Fund 232	Budget Book heading identifies 2022-2024 as ACTUAL. 2022 revenues/expenditures: \$91,076.45/\$55,667.98; 2023: \$81,233.21/\$56,754.98; 2024: \$88,915.00/\$58,815.00. Proposed 2026: \$70,100 revenue and \$65,570 expenditures, including \$60,000 electricity, \$2,000 assessing/property-tax administration, \$3,000 other professional services, and \$570 refunds/reimbursements.
Notice timing	The August 21, 2026 postcard date is 18 days before the September 8 hearing, so this filing does not assert a mailed-notice timing violation. Separate newspaper publication compliance remains unconfirmed and is preserved only conditionally.

CITY OF HAM LAKE CITY COUNCIL AND ECONOMIC DEVELOPMENT AUTHORITY MINUTES MONDAY, AUGUST 17, 2026

The Ham Lake City Council and Economic Development Authority met for its regular meeting on Monday, August 17, 2026 at 6:00 p.m. in the Council Chambers at the Ham Lake City Hall located at 15544 Central Avenue NE in Ham Lake, Minnesota.

MEMBERS PRESENT: Mayor Biran Kirkham and Councilmembers Jim Doyle, Al Parranto, Andrew Hallberg and Mike Van Kirk (via interactive technology due to being out of state)

MEMBERS ABSENT: None

OTHERS PRESENT: City Attorney, Mark Berglund; City Engineer, Dave Krugler; City Administrator, Denise Webster; and Administrative Assistant, Nicole Wheeler

1.0 CALL TO ORDER - 6:00 P.M. – Pledge of Allegiance

2.0 PUBLIC COMMENT

Michelle Barron, 18719 Breezy Point Drive NE, East Bethel, MN was present to express concerns about the potential impact on wildlife from the 40 boat slips on Coon Lake as part of South Shores Estates 2nd Addition. Ms. Barron asked if the DNR approved the project. Attorney Berglund clarified that the public comment portion of the meeting is not intended to be conducted as a back-and-forth question-and-answer session and advised Ms. Barron to speak with Engineer Krugler following the meeting.

CITY OF HAM LAKE CITY COUNCIL BUDGET WORKSHOP MINUTES MONDAY, AUGUST 17, 2026

The Ham Lake City Council met for a budget workshop meeting on Monday, August 17, 2026 at 5:15 p.m. in the Conference Room at the Ham Lake City Hall located at 15544 Central Avenue NE in Ham Lake, Minnesota.

MEMBERS PRESENT: Mayor Brian Kirkham and Councilmembers Jim Doyle, Andrew Hallberg, Al Parranto, and Mike Van Kirk (via interactive technology due to being out of state)

MEMBERS ABSENT: None

OTHERS PRESENT: Finance Director, Andrea Murff; City Administrator, Denise Webster; Public Works Superintendent, John Witkowski; Fire Chief, Mike Raczkowski; and Administrative Assistant, Nicole Wheeler

1.0 Call to Order

Mayor Kirkham called the meeting to order at 5:15 p.m.

2.0 Discussion of the Draft 2027 Proposed Budget and CIP Review

Finance Director Murff went over the proposed 2027 General Fund Budget stating expenditures without transfers were going to increase 4.72 percent or \$280,818. Finance Director Murff stated that the only significant change to expenditures since the June Budget meeting was cutting \$27,769 from the City Council for attorney and engineering fees aligning them more to actual. Finance Director Murff stated Tower Lease revenues were also cut \$30,000 due to sublessors not renewing their lease. Finance Director Murff continued the Draft 2027 Proposed budget offering 3 options of a 3 percent tax levy, which would use \$206,593 of reserves and potentially decrease the tax capacity rate 0.356 percent to 18.522 percent; a 6 percent tax levy, which would use \$84,267 of reserves and potentially increase the tax capacity rate 0.221 percent to 19.099 percent; and a balanced budget which would use no reserves and would increase the tax levy 7.224 percent or \$497,453 to the tax levy and the tax capacity rate would increase 0.456 percent to 19.334 percent. Mayor Kirkham inquired about the Ham Laker Fund and suggested publishing bi-monthly. Finance Director Murff stated we could reduce the proposed transfer of \$30,000 to \$20,000 to account for inconsistent donations and reduction of advertisement revenue. Councilmember Van Kirk inquired about how much a 15 percent increase to health insurance premiums affected the budget, what was the reserve ratio and the amount of reserves in the General Fund, and what would the budget look like if we kept the tax capacity the same as 2026, which is 18.878 percent. Finance Director Murff responded the General Fund reserves were plush due to adding approximately \$500,000 to the General Fund at the 2025 fiscal year end. Mayor Kirkham continued he would like to see the effects on the General Fund's Budget, Tax Levy, and Reserves by not increasing the General Fund Transfers to the Revolving Street Fund and the Public Works Equipment fund and keeping the transfers at the 2026 allocation of \$1,300,000 and

\$250,000, respectively; and using the General Fund Reserves to fund the increases of \$100,000 to the Revolving Street Fund and \$45,000 to the Public Works Equipment Fund. Finance Director Murff responded it would not be beneficial to cut the Public Works transfer due to significant equipment needs. Public Works Director Witkowski stated that there were currently 13 Public Work Trucks that were over 20 years old and need to be replaced due to not being able to find parts and other various equipment. Finance Director Murff stated Department Heads were going to be meeting to create a list of all assets and put in replacement costs of anything needing to be replaced within the next 20 years then meet with Council to start discussions on the plan in January or February, but that the 2027 Budget and Capital Improvement Plan would not be any further affected. Finance Director Murff continued she would email Councilmembers with answers to Councilmember Van Kirk's inquiries and reminded them that a preliminary budget needed to be passed by September 30, 2026. **It was the consensus of the City Council to continue the Preliminary 2026 Budget discussion during the September 21, 2026 City Council Meeting and move Ham Laker publishing to bi-monthly starting in 2027.**

3.0 Discussion of the 2027 Law Enforcement Contract

City Administrator Webster stated the 2027 Law Enforcement Contract has not changed since the last discussion during the June Budget Meeting and is expected to increase \$86,553 from 2026. It was the consensus of the City Council to continue discussion about the 2027 Law Enforcement Contract during the Law Enforcement Meeting on September 21, 2026

Motion by Parranto, seconded by Doyle, to adjourn the meeting at 5:49 p.m. All in favor, motion carried.

Memorandum

Date: September 1, 2026
To: Planning Commissioners
From: David A. Krugler, City Engineer 
Subject: Elwell Farms

Introduction:

The current Performance Security for the Elwell Farms development is \$1,050,450. The developer has requested a reduction in the Performance Security.

Discussion:

Resolution No. 16-51 allows Performance Security to be reduced by 50% when the City Engineer determines that 75% of the requirements for completing the project have been met.

The current Performance Security of \$1,050,450 was established based upon \$700,300 of remaining streets and related construction work, secured at 150%. Based upon the work completed to date, more than 75% of the project requirements have been completed; therefore, the project is eligible for the one-time 50% reduction allowed by Resolution No. 16-51.

A 50% reduction would reduce the Performance Security by \$525,225, resulting in a remaining Performance Security of \$525,225.

Recommendations:

It is recommended that the City Council approve the reduction of the Elwell Farms Performance Security from \$1,050,450 to \$525,225.

RESOLUTION NO. 16-51

WHEREAS, on November 3, 1997 the Ham Lake City Council adopted Resolution No. 97-83 which established a policy for all escrow deposits accepted by the City to guarantee completion of City approved projects and/or quality of workmanship; and

WHEREAS, on November 1, 1999 the Ham Lake City Council amended Resolution No. 97-83 and adopted Resolution No. 99-61; and

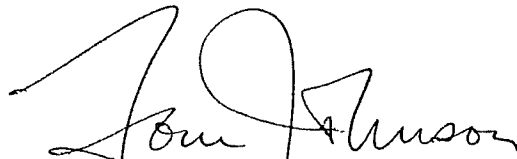

WHEREAS, the Ham Lake City Council wishes to amend the policy, and

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF HAM LAKE, ANOKA COUNTY, MINNESOTA, that the following amendment to the above stated Resolution shall be effective immediately:

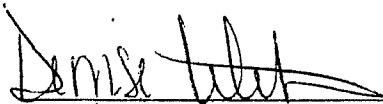

IV. Performance and Maintenance Escrows (A)

2. Performance Escrow amounts will be reduced by 50% when 75% of the requirements of completing the project have been met. The City Engineer will make the determination when 75% of the project has been completed. With the exception of projects that post performance escrows with the City prior to paving the first lift of bituminous pavement, performance escrows will only be reduced one time. For those projects that post performance security prior to paving the first lift of bituminous pavement, a second 50% reduction of performance escrow is allowed, if approved by the City Engineer.

ADOPTED BY A UNANIMOUS VOTE OF THE HAM LAKE CITY COUNCIL THIS 17th DAY OF OCTOBER, 2016.

Tom Johnson, Acting Mayor

Denise Webster, City Clerk

RESOLUTION NO. 26-XX
RESOLUTION APPROVING CONTRIBUTIONS

WHEREAS, the City of Ham Lake is generally authorized to accept contributions of real and personal property pursuant to Minnesota Statutes Sections 412.21 and 465.03 for the benefit of its citizens, and

WHEREAS, the following persons and entities have offered to contribute the cash sums set forth below to the City:

<u>Name of Donor</u>	<u>Amount</u>
Ham Lake Chamber of Commerce <i>(for 2027 the Freedom Festival)</i>	\$2,000.00

WHEREAS, all such sums have been contributed to assist the City in the establishment and operation of programs within the City's corporate limits either alone or in cooperation with others, as allowed by law; and

WHEREAS, the City Council hereby finds that it is appropriate to accept the contributions offered.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ham Lake, Minnesota, as follows:

1. The contributions described above are hereby accepted by the City of Ham Lake and shall be used to establish and operate programs within the City's corporate limits either alone or in cooperation with others, as allowed by law.
2. That the City Clerk is hereby directed to issue receipts to each donor acknowledging the City's receipt of the donor's contribution.

Adopted by the City Council of the City of Ham Lake this 8th day of September, 2026.

***CITY OF HAM LAKE
STAFF REPORT***

To: Mayor and Councilmembers

From: Denise Webster, City Administrator

Item/Title/Subject: Vacation of a drainage and utility easement lying over, under, and across Lots 22, 23 and 24, Block 3, within the plat of Elwell Farms

Introduction/Discussion:

Elwell Farms has made a request to vacate a drainage and utility easement lying over, under and across Lots 22, 23 and 24, Block 3, within the plat of Elwell Farms, due to a lot line adjustment after the vacation is complete. Engineer Krugler has reviewed the legal descriptions and has no issue with this vacation being there is no further public use for the easements.

Recommendation:

I recommend approval of a Resolution scheduling a Public Hearing for October 5, 2026 to vacate a drainage and utility easement lying over, under and across Lots 22, 23 and 24, Block 3, within the plat of Elwell Farms.

WHEREAS, the Property is located in the Commercial Development I (CD-1) Zoning District; and

WHEREAS, CD-1 Zoning Districts are intended to apply to certain commercial uses on lands abutting the City's only major thoroughfare, Trunk Highway 65 corridor. In that these lands have high visibility to the traveling public, it is considered important to the preservation of land values in general, as well as important to the continuing ability of the City to generate the establishment of quality commercial development and the concomitant tax and employment base, that structures in the CD-1 Zoning Districts observe specific construction and aesthetic standards.

WHEREAS, the intended use of the Property is for the operation of a light auto repair shop; and

WHEREAS, under Section 9-220.2 (c) of the Ham Lake City Code, a light auto repair shop is a conditional use in CD-1 Zoning Districts; and

WHEREAS, pursuant to Section 9-310.2 of the Ham Lake City Code, the Ham Lake Planning Commission reviewed the conditional use application and held a public hearing at their regular meeting on August 24, 2026, and recommended approval of the Conditional Use Permit with conditions;

WHEREAS, the Ham Lake Planning Commissions meeting minutes and materials from its August 24, 2026 meeting shall be used to support the Ham Lake City Council's findings of fact.

NOW, THEREFORE, BE IT RESOLVED that the Ham Lake City Council hereby approves the Conditional Use Permit for the property located at 13408 Highway 65 NE, Suite #110 subject to the conditions and approval as recommended by the Planning Commission to wit:

1. No motor vehicle sales.
2. Allocating a total of three parking spaces; All parking spaces to be on approved surfaces in designated areas as shown on the site plan: one in front of the suite the business is renting and two in the fences in area.
3. A maximum of one employee.
4. All fluids are to be contained and disposed of according to the County and State requirements.
5. All repairs to be done inside the building – repairs include general auto maintenance and mechanical work such as replacing breaks, headlights, and bulbs.
6. No bodywork or painting of vehicles at this location.
7. No outdoor storage of any kind is permitted. All automotive parts must be stored indoors.
8. All hours of operation must be between Monday through Saturday 7:00 A.M. to 9:00 P.M.
9. Security lighting required.
10. All City, County and State requirements are met for an auto body shop.

FURTHERMORE, the Ham Lake City Council hereby approves the Conditional Use Permit for 13408 Highway 65 NE, Suite 110, subject to the following additional conditions:

1. Written receipt by the City, and approval by the City Attorney, of acknowledgement and approval of the Conditional Use Permit by the owner of the Property located at 13408 Highway 65 NE, Suite 110.
2. Ongoing and complete compliance with all applicable Ham Lake City Code Requirements.

Adopted by the Ham Lake City Council this the 8th day of September, 2026.

CITY OF HAM LAKE
STAFF REPORT

To: Planning Commission

From: Matt Holzworth, City Planner

Subject: Conditional Use Permit for PK Autobody at 13408 Highway 65 NE, Unit #110

Introduction:

Mr. Kendysh is requesting a Conditional Use Permit to operate PK Autobody, a light automotive repair business, at 13408 Highway 65 NE.

Conditions for this permit can be similar to previously issued CUP's at this address on Highway 65 NE. The road easement on the north side of the building is the only access to 13414 Highway 65 NE parcel. I do not recommend allowing more than the two parking stalls in front of Unit #110. Additional parking is found on the parking map provided by the applicant to the south of the building. The parking that is allowed in that area should be employee or customer parking only. The applicant indicated that the business is owner-operated and currently has one employee. The proposed business hours are Monday through Saturday from 7:00 A.M. to 9:00 P.M. This parcel is zoned Commercial District Tier 1 (CD-1). An autobody shop is permitted as a conditional use in this zoning district. No additional landscaping, parking, lighting or trash enclosures are proposed.

Discussion: This information is provided for commission consideration and discussion.

Staff Recommendation: City staff are recommending approval of the application to operate a light auto mechanical repair shop out of 13408 Highway 65 NE Unit #110 with the following conditions:

- No motor vehicle sales
- Allocating a total of three parking spaces; All parking to be on approved surfaces in designated areas as shown on the site plan: one in front of the suite the business is renting and 2 in the fenced in area.
- A maximum of one other employee
- All fluids to be contained and disposed of according to County and State requirements.
- All repairs to be done inside the building – repairs include general auto maintenance and mechanical work such as replacing breaks, headlights, and bulbs.

- No bodywork or painting of vehicles at this location.
- No outdoor storage of any kind is permitted. All automotive parts must be stored indoors.
- All hours of operation must be between Monday through Saturday 7:00 A.M. to 9:00 P.M.
- Security lighting required.
- All City, County, and State requirements are met for an auto body shop.

To Whom It May Concern,

I am submitting the following information regarding PK Autobody LLC in support of my Conditional Use Permit application.

PK Autobody LLC is a small automotive repair business specializing in light collision repair. The primary services include replacing damaged vehicle parts with new parts, as well as performing the necessary disassembly and reassembly during the repair process. The business does not perform major mechanical repairs.

All work is performed entirely inside the leased unit located at:

PK Autobody LLC

13408 Highway 65 NE, Suite 110

Ham Lake, MN 55304

Business hours are:

Monday through Saturday

7:00 AM – 9:00 PM

The business is owner-operated and currently has one employee.

All scrap metal generated during repairs is disposed of in a designated dumpster located within the property's enclosed parking area.

PK Autobody LLC does not store, service, or dispose of automotive fluids such as engine oil, coolant, transmission fluid, fuel, or other hazardous vehicle liquids.

The business is committed to maintaining a clean, safe, and professional operation while complying with all applicable city regulations.

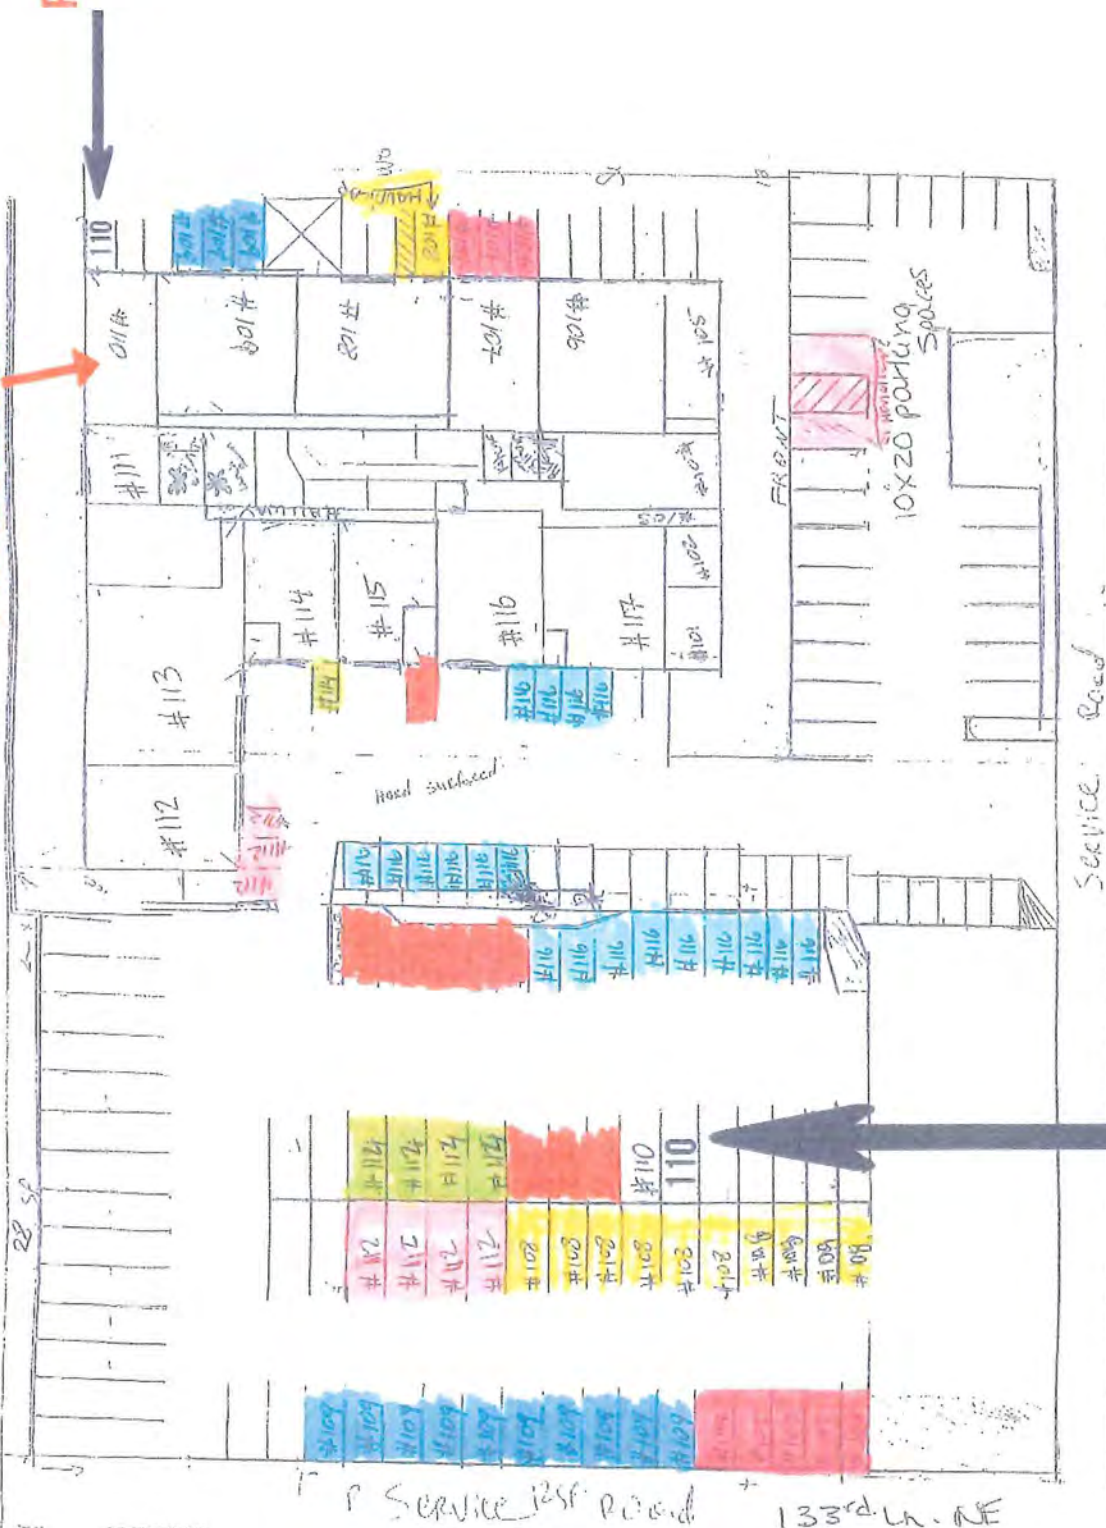

Thank you for your time and consideration.

Sincerely,

Piotr Kendysh

Subject: Preliminary 2027 budget and 2026 levy for payable 2027

GENERAL FUND

Expenditures

Overall, General Fund Expenditures without transfers increased \$293,568 or 4.93 percent to \$6,248,930. Transfers out of the General Fund increased \$67,000 or 3.49 percent to \$1,985,000. Transfer increases were due to the Public Works Equipment fund transfer increasing from \$250,000 to \$295,000 and the transfer to the Parks Equipment Fund increasing from \$42,000 to \$44,000. There was also an additional transfer added from the General Fund to the Ham Laker for \$20,000.

The Revolving Street Fund was set to have a transfer increase of \$100,000 in 2027 per the 2026 Capital Improvement Plan. An analysis was done taking into consideration the operating needs of the City and the need to increase the transfer to the Revolving Street Fund. It was determined the Revolving Street Fund could handle a one-time hold onto its increase keeping the 2027 transfer the same as the 2026 transfer at \$1,300,000. When planning on subsequent years for the Revolving Street Fund, the analysis did increase \$100,000 each year starting in 2028.

Anoka County Sheriff's Contract

The Anoka County Sheriff's Office budget increased \$86,553 to \$1,768,831 for 2027 with the biggest increase happening in personnel costs. This contract would continue with 7.56 FTE deputies and 0.5 FTE investigator. The amount budgeted in the preliminary general fund budget is \$1,743,831 with \$25,000 coming from the Lawful Gambling funds.

Personnel Costs

A 3.00 percent employee Cost-Of-Living-Adjustment (COLA) was added to the 2027 budget. This increased the budget \$26,284.16, which is an accumulation of wages, PERA, and taxes.

The new Administrative Assistant position was hired in August and was not a budgeted item in the 2026 budget. For the 2027 budget there was a total of \$82,303.86 budgeted for this position which includes wages of \$60,432.55, PERA and taxes totaling \$9,421.43, and benefits totaling \$12,449.88.

Estimated Health Insurance rates are expected to increase 22.00 percent, and Dental Insurance rates are expected to increase 1.00 percent for 2027. Most of our employees are on single Health and Dental Insurance, which is paid 100.00 percent by the City. This estimate would increase single coverage \$177.59 per enrolled employee per month to \$1,034.29 per enrolled employees per month. Family Medical contribution toward their premium would increase \$200 per month to \$1,455 per month. The Family Medical contribution only would be for 2 employees.

Wages for Public Works/Parks Seasonal Maintenance Workers were increased from the range of \$15.00 to \$17.00 per hour to \$18.00 to \$20.00 per hour to hopes to retain more workers in the summer months.

Boot Allowance

The boot allowance remained the same for 2027 at \$250.

Metro-Inet

Metro-Inet is an entity created through a consortium of participating cities that provides Information Technology services to participating Cities on their various needs. Each year they go through a budget process that determines user rates based on their needs as an organization and the demands of the individual Cities. The consortium does not profit from the user fees but does have needs that require them to have a reserve fund for unforeseen events. The consortium was established in 2022 and was previously part of the City of Roseville. The user fees for the City are increasing \$7,141 for 2027. The increase is being driven by personnel costs to support the network, Windows 365 licensing, and upgrades to cybersecurity.

Miscellaneous Changes

Below are other notable changes in the budget that are over or under 10 percent of the previous year:

- City Council budget decreased \$27,769 after adjusting attorney fees and engineering fees to be more aligned with the 2025 and 2026 actuals.
- There was \$40,000 added to the 2027 budget for a Capital Needs Assessment for the City Hall and Public Works buildings. The assessment will give staff an analysis of how the infrastructure and the systems within (i.e. HVAC, Electric, Septic, etc.) are currently functioning and help with future budgeting needs for potential upgrades. This cost was split with \$20,000 going to the General Government Building department, \$10,000 to the Public Works Building Department, and \$10,000 to the Parks Building Department.
- The Administrative budget increased allocating more of the Administrative Assistant activates to this department from the Clerk Department aligning to actual time entry task as well as a potential promotion to this position.
- The Election Budget decreased due to not having elections in 2027.

- The Planning Department budget increased due to changes in staffing causing a need to budget for benefits that were not previously taken. This was offset in the department budget by adjusting down engineering fees to be aligned with 2025 and 2026.
- Animal Control increased due to budgeting for potential quarantines that was not previously budgeted.
- Public Works Department, without transfers and personnel costs, increased \$48,136 due to adding an extra week to the Street Sweeper contract, adding more funding for gravel maintenance, and the need to purchase new radios that are connected to Anoka County Dispatch.
- Snow and Ice increased due to adding more funding for additional plow blades.
- Storm Water Drainage decreased due to adjusting engineering fees to actual.
- The Fire Relief State Aid contribution increased \$18,000 based on the average percentage increase year over year. This is offset in the budget by the revenue since the money comes in from the State and is paid directly to the Ham Lake Fire Relief's pension account.

Revenues

The General Fund budget is funded primarily by a property tax levy. The City sets a preliminary levy amount in September, and once the preliminary is set, the final levy amount set in December can either stay the same or go down but cannot be increased.

Property Taxes Levy, Tax Capacity, and Impact on Tax Capacity Rate

The overall tax capacity for the City increased 5.30 percent due to an increase in the taxable market values for Residential and Commercial/Industrial properties and new construction in these categories. Below is a comparison of 2025 and 2026 by tax capacity type:

Property Type	2025 Pay 2026	2026 Pay 2027	% Change
Commercial/Industrial	5,886,888	6,238,317	5.97%
Residential	\$ 29,994,701	\$ 31,583,123	5.30%
Agricultural	442,987	426,744	-3.67%
Total	\$ 36,324,576	\$ 38,248,184	5.30%

There are two options being proposed for the preliminary tax levy. Below is a summary of the impact of the difference in tax levy increases on the 2027 budget with the estimated tax capacity rates:

- A balanced budget, where revenues equal expenditures would result in an increase of 4.91 percent to the tax levy or \$338,003 bringing the tax levy to \$7,224,430. There would be no use of reserves to fund this budget. The tax capacity rate would increase 0.028 percent to 18.850 percent.
- If the City were to hold the same 2026 tax capacity rate of 18.878 percent for 2027, the tax levy would increase 5.05 percent or \$347,934 to \$7,234,361. Total revenues would be \$9,931 more than expenditures, adding to the General Fund Reserves.

General Fund Reserves and Reserve Ratio

Reserves or fund balance are terms used interchangeably and are usually a rainy day fund the City keeps to cover unexpected expenses due to extraordinary events such as not receiving anticipated funding and catastrophic events that cause considerable expenditures. Reserve amounts fluctuate with the financial outcome each year and are not a set amount; however, it is City policy and State statute that the City keeps at least 35.00 percent of the following year's expenditures on reserves.

Historically, the City has tried to maintain an average General Fund Reserve Ratio of around 57.00 percent. In years the City ended its fiscal years with higher reserve ratio, reserve funds were transferred to the Revolving Street Fund to help fund road projects. The City also would on occasion budget in a deficit to help alleviate increases in property taxes, which may make budgeting in subsequent years difficult when needing to make up for this expenditure in the budget while keeping operational costs low.

The General Fund Reserve Ratio, at the end of 2025 was 63.89 percent. Here is how each option will impact subsequent budgets:

Revenues Other than Taxes

Overall, other General Fund Revenues without transfers increased \$28,365 or 2.88 percent. Below are notable increases/decreases as follows:

- Tower Lease revenue decreased \$54,000 due to a sublessor withdrawing their leases from the lease holder for 3 towers.
- There was an increase in some of the fees on the fees schedule in 2026. In order to budget conservatively, building permit fees, other permit fees, deviation fees, and planning review fees increased a total of \$63,000. Other revenues impacted by these increases were conservatively kept at levels used for the 2026 Budget.

OTHER FUNDS

Cable Fund: The Cable Fund is funded by franchise fees from North Metro Cable. The fund ended 2025 with a fund balance of \$88,055. There are no expenditures planned from this fund in 2027.

The Ham Laker transfer has been moved to the General Fund due to limited funding in Franchise fees.

Ham Laker Fund: The Ham Laker Fund is primarily funded by advertising fees, donations from the Ham Lake Chamber of Commerce, and transfers from the Cable Fund; however, due to low levels in the Cable Fund, the transfer has now been budgeted from the General Fund. The fund balance ended 2025 with a positive balance of \$5,004. For 2026, it is anticipated expenditures will be \$10,550 more than revenues creating a fund balance deficit of \$5,546. The 2027 budgeted expenditures increased 7.5 percent due to a postage increase.

During the August Budgeting meeting, it was consensus of the Council to go to a bimonthly edition of the Ham Laker and to cut the transfer from the General Fund to \$20,000. Expenditures remained the same due to not knowing how the addition of more pages to a single edition would affect costs.

Future Drainage Fund: There is an additional \$10,000 budget in this fund for subscription costs for GIS and increase in engineering fees to align to actual costs.

Sunrise WMO Fund: In 2024, the City Council asked the Finance Director to create a fund specifically for the Sunrise Watershed Management Organization to levy a tax for the parcels within the jurisdiction for the watershed expenditures. This fund and levy were created in the 2025 budgeting process.

For 2027, it is projected to have a levy of \$8,925 to cover the 2027 dues that were approved during the 2/17/2026 City Council meeting as well as representative, engineering, and attorney fees. This is an increase of 3.60 percent or \$310.00 from 2026.

Upper Rum River WMO Fund: In 2024, the City Council asked the Finance Director to create a fund specifically for the Upper Rum River Watershed Management Organization to levy a tax for the parcels within the jurisdiction for the watershed expenditures. This fund and levy were created in the 2025 budgeting process.

For 2027, it is projected to have a levy of \$4,341 to cover the 2027 dues that were approved during the 2/17/2026 City Council meeting as well as representative, engineering, and attorney fees. This is an increase of 5.24 percent or \$216.00 from 2026.

CAPITAL PROJECT FUNDS AND REVOLVING STREET FUND

The City has a total of 10 Capital Funds. These funds are used to purchase capital items such as equipment, vehicles, building updates, infrastructure updates, and street improvements and it is funded primarily by budgeted transfers from the General Fund. A five-year Capital Improvement Plan is used to help plan for these purchases and is evaluated each year by the City Council and Department Heads. Actual purchases for each year need to go to City Council for approval, regardless of what is on the Capital Improvement Plan.

All funds except for the Revolving Street Fund have been updated for the 2027 Budget. City Staff are still working on a long-term plan to potentially take place starting with the 2028 Budget Cycle. This plan will incorporate all assets and possible replacements going out 10 years. The plan will be flexible and is intended to give a better forecast of the equipment and infrastructure needed. City Staff anticipates sharing the plan with City Council the beginning of 2027 to get their guidance and start discussions to make sure this can be incorporated into the 2028 Budget process.
